PSHE

KS4:

When it comes to health, to what extent am I in control? Assessment criteria: • I can explain a range of threats to health and how these can be prevented • I can explain how I could enhance my own physical health • I can explain how people can maintain good sexual health once they become sexually active.

Post 16:

Is it possible to stay true to yourself and be in healthy relationships? Assessment criteria: • I can discuss ways a school community could support inclusion and equalities so that everyone's personal identity is respected, including their gender identity and sexual

English

NEA Spoken Language Preparation Final Assessment. and Analysing non-fiction.

- The term will begin with pupils presenting their final work for the Spoken Language Assessment.
- This term pupils are exploring the many different types and purposes of non-fiction text. This will include: advertisements, reviews, letters, diaries and blogs, newspaper articles, information leaflets and magazine articles

Physical Education

This term, students will be working on invasion games, participating in football, dodgeball, basketball. This will help develop students teamwork, movement and other key skills to help develop their overall abilities whilst participating in different sports.

Throughout our curriculum pupils will take part in:

- Social, moral, spiritual and cultural development.
- Mindfulness and Sensory Circuits
- Votes for Schools
