

Exam Results 2020

Headstart is delighted to announce another highly successful year of exam results. As predicted and logged way before the pandemic, Headstart students continue to progress annually, culminating in our best results to date.

Students this year have taken GCSE English literature, Biology ,Geography, English Language, Maths and History.

They have also taken Btecs to include, Land-Based Studies, Agriculture, Horse Care, Construction, Creative Media Technology, Music, Applied Science, Sport and Active Leisure, Art and Design and Skills for Independence and Work.

All candidates achieved a 100 percent pass rate for GCSE English and Maths.

One student has achieved 5 GCSEs with 3 being at grade 5 and above and passed a number of Btec qualifications.

Another GCSE candidate has achieved 6 GCSEs 2 of which are at Grade 5 and above as well as a variety of Btec qualifications.

Due to announcements last night, we now have other students waiting to hear on their level 2 Btec grades.

An excellent year.

Congratulations to all this years candidates, well done in all your achievements.
