

ASH Term 4 2023-24

Light

- Light sources
- The sun
- How we see
- Shadows
- Can we see through it?
- Plan- Shadow experiment.
- Investigate- Shadow experiment.
- Evaluate- Shadow experiment.

Physical Education

This term pupils will take part in outdoor and adventurous activity challenges both individually and within a team.

In this unit pupils will learn and accurately replicate specific techniques in a range of fitness-based activities. They will carry out investigations into the bodies' ability to exercise and the reasoning behind such principles. Pupils will also take part in weekly swimming and Wheels 4 All.

PSHE and Careers

Healthy Me

- Know the health risks of smoking
- Know some of the risks linked to misusing alcohol, including antisocial behaviour
- Know basic emergency procedures including the recovery position
- Know how to get help in emergency situations
- Know that the media, social media and celebrity culture promotes certain body types
- Know what makes a healthy lifestyle

Outdoor Learning

- Pupils will be engaging in regular Land-based, Forest School and Beach Sessions
- The curriculum will be covered using our indoor and outdoor environments

English

Castles and Knights

- Role play – Set up a medieval castle or fairytale castle corner.
- Non-fiction – Use photos to learn about castles then write an information page/book including different facts.
- What would a medieval banquet look like?
- Work on an explanation text to give information about why castles have certain features and how they were used.
- Fiction – Read stories which include castles, such as 'The Princess and the Pea' to learn more about them. Sequence the story

Computing

Programming Toys

Pupils will learn to:

- create step-by-step instructions using pictures;
- write and follow detailed step-by-step instructions;
- direct a Bee-Bot (or similar programmable toy) to a toy;

Online Safety- Managing Online Information
